Questions and Answers – Set 4

October 27, 2011

Q.1. Please verify that the maximum limit of four (4) relevant contracts for past performance applies to the total number of contracts submitted from both the Prime and all of the Prime's major subcontractors, combined.

A.1. The Government is looking for not more than four (4) relevant contracts from the Prime and not more than four (4) relevant contracts from each major subcontractor. The Final RFP will be revised to reflect this clarification.

Q.2. Please verify that the Government is not seeking:

(a) up to four relevant contracts from each individual major subcontractor or

(b) up to an additional four contracts from all of the major subcontractors combined (i.e., up to four contracts from the prime and up to four total from all of the major subs (combined), for a total of up to 8 contracts

A.2. See Response to Q.1

Q.3. Will the Government reduce the \$10,000,000 total contract value requirement for major subcontractors?

A.3. The Government has considered this request and will revise the total contract value requirement for major subcontractors to \$3,000,000. See Final RFP.

Q.4. Would the Government consider revising the definition of major subcontractors for the purpose of this procurement?

A.4. The Government has considered this request and has decided to keep the requirements of the Draft RFP.

Q.5. Would the Government consider revising the past performance requirement (\$10,000,000, 3-year, relevant work) assuming up to four references required from the Prime and each major subcontractor?

A.5. See Response to Q.3
